KARTIK AARYAN

Movie Review: Bhool Bhulaiyaa 2

Anees Bazmee knows the art of humor and with Bhool Bhulaiyaa 2, he excelled once again. The two most difficult genres to make the film are horror and comedy. It is not easy to make people scared and also laugh. Bhool Bhulaiyaa 2 is a mixture of both and has struck the right chord. **Kartik Aaryan is terrific in his role. Be its dialogue delivery, sense of humor, or dance, he has really nailed it. He is surely the next big thing in Bollywood. Kartik knows the art of comedy and romance.** Tabu, once again proved why she has rated so high as a versatile actress. She fits in the role perfectly. Kiara Advani looked beautiful and her chemistry with Kartik is good.

Trolls called Mrunal Thakur, 'Matka'

Jersey actress Mrunal Thakur gave a befitting reply to the trolls for calling her matka. On being body-shamed for her curves, Mrunal revealed that she was told to cut down the weight on her lower body. She told, **"I have a pear-shaped body. My briefing was always like, 'Mrunal, you need to cut down from your lower body.' But excuse me, that's my body type."** Mrunal Thakur revealed that she is being called the Indian Kardashian for her curvy figure when she visited the US. **"When I was in the US, people said a lot of women pay to get that body. When someone called me the Indian Kardashian, I was so happy that yes we need to celebrate."**

She added I want to raise my voice because there are a lot of people, a lot of girls who have the same body type as I do. I just feel like no matter what – if you're skinny, if you're pear-shaped, if you're apple-shaped, if you're triangle-shaped – just appreciate it. We need to be comfortable in our own skin.
